

## Booking Information

Spaces are limited on workshops so early booking is advised. Bookings are on a first-come, first-served basis and we operate a reserve list once workshops are fully booked. If you are unable to attend a pre-booked workshop, please let us know as soon as possible so we can offer your place to somebody else.

A small charge is made for workshops to contribute to the cost of materials, equipment and room hire. Payment for workshops must be received **at the time of booking** in order to secure your place. Please note refunds will only be given if ArtCare cancels the workshop or, in the case of courses only, if your place is filled by someone on the reserve list.

**To book your place by credit/debit card please phone Hazel Stock on 01722 336262 ext. 5617 or complete and return the slip below with your payment. You are welcome to email [hazel.stock@nhs.net](mailto:hazel.stock@nhs.net) to check whether there are spaces remaining on a workshop before booking - the place will then be held for a **few days only** while awaiting your payment.**
