

The Welcome Project

Wessex Archaeology and **ArtCare** are working together to give a warm welcome to Salisbury hospital staff from around the world. Join us for **free** walks, talks and trips to:

- **Meet new people**
- **Connect with the heritage of Salisbury**
- **Learn from local heritage experts**
- **Share stories about your heritage and traditions**

This project is designed for international staff who have travelled from overseas to work for Salisbury NHS Foundation Trust. You can join us for as many sessions as you like.

All sessions are **FREE**, refreshments and travel from the Hospital Green will be provided at no extra cost to you.

See overleaf for more information about each session.
