You will need:

- Coloured card or paper (yellow, green, orange, white...)
- Scissors
- Pencil
- Glue stick or double sided tape

Instructions:

1. Cut out the petal template on the next page. Draw around it twice on your yellow paper or card
2. Cut out your 2 shapes
3. Gentle crease the card along the middle of each petal to give them a 3D shape
4. Using glue stick or double sided tape stick them together crossing the petals
5. Cut out a strip of coloured card about 8cm by 3cm, give the top edge a crinkle cut
6. Along the bottom edge snip along the length with 0.5cm cuts, to create a short frill
7. Add a bit of double sided tape to one end and then bend up your frill
8. Coil the strip around your finger and fix using the tape. Push down your finger to make sure your frill is bent over fully
9. Fix this tube to your petals with double sided tape or glue stick
10. Decorate a piece of folded card to make an Easter or Mothers Day card

I Wandered Lonely as a Cloud
BY WILLIAM WORDSWORTH

I wandered lonely as a cloud
That floats on high o'er vales and hills,
When all at once I saw a crowd,
A host, of golden daffodils;
Beside the lake, beneath the trees,
Fluttering and dancing in the breeze.

Continuous as the stars that shine
And twinkle on the milky way,
They stretched in never-ending line
Along the margin of a bay:
Ten thousand saw I at a glance,
Tossing their heads in sprightly dance.

The waves beside them danced; but they
Out-did the sparkling waves in glee:
A poet could not but be gay,
In such a jocund company:
I gazed—and gazed—but little thought
What wealth the show to me had brought:

For oft, when on my couch I lie
In vacant or in pensive mood,
They flash upon that inward eye
Which is the bliss of solitude;
And then my heart with pleasure fills,
And dances with the daffodils.
